Watch and Win!

Thursday January 1st marks a New Year and a new beginning for Davis Cable 17.

Davis County's only locally broadcast station is retooling to serve you better and you are invited to be on the front lines when the station's new look premieres this week. Tune to Channel 17 on Comcast cable to see the new Channel 17. If you don't have Comcast, you may watch Davis Cable 17 on your personal computer.

Just go to www.daviscable17.com

You'll see more than Davis County events, you'll also see features on local businesses, movies, classic cartoons, and programs of interest to all of northern Utah. You could also win just for watching. The first 50 viewers to tune in and contact Davis Cable 17 as instructed on the new station will win gift certificates from local businesses.

Your business can join the ranks too. There is still time to build your customer base by offering a prize from your business to new Channel 17 viewers.

Just call the chamber offices by close of business Tuesday to get in on the free advertising. That number is 593-2200.

Also, don't forget to attend the Business to Business Expo, February 26, 2009. Walk up to any Chamber team member and say "I want to be a star" If you do so in the first hours of the event, you'll be featured on an episode of *Crowd Surfing* on the new station. Then you really will be a star. This is just part of the new line-up for Davis Cable Channel 17.
