**Women in Business  
Present Donation to  
Amber Alert**

What a wonderful luncheon sponsored by the Chamber's Women In Business Committee. The event supported the AMBER Alert System and featured moving remarks by child protection advocates Ed and Elizabeth Smart, Elaine Runyan-Simmons, and Paul Murphy. The afternoon culminated in the presentation of a **\$5000 check to the AMBER Alert System**. This was the result of tremendous fund raising efforts by the Women In Business Committee and the generosity of our members. The money raised will help bring more of Utah's children home safely.

This is exactly the type of support and engagement that the Davis Chamber is proud to offer to the community. Congratulations to the Women In Business Committee for such a great event and thanks to all who contributed... including major sponsor - Layton Hills Mall.
