Title:
Owner/President Academica West

Corporate and Professional Background:
Owner/President Academica West, Owner/President One West Construction

Academica West provides Charter Schools with comprehensive service and support and ensures a professionally managed and operated charter school that meets the requirements of the school's contracts, local ordinances and State and Federal Laws. Academica West offers guidance and resources to guide Charter Schools from conception onward. Most importantly, Academica West ensures the vision of a charter school Board of Directors is faithfully and effectively implemented.

Academica West has successfully managed the establishment and operations of Charter Schools in Utah. The Company is currently serving four operational and one planned Charter Schools. From building concept to curriculum resources, Academica West delivers a quality product in a timely manner.
